Business Starter, Business Standard and Business Plus plans can be purchased for a maximum of 300 users. There is no minimum or maximum user limit for Enterprise plans.

Google Workspace customers may have access to additional features for a limited promotional period.

*Offer available to new Google Workspace customers only. This introductory price is only available for the first 20 users added, for 12 months. Standard pricing will apply to all users after 12 months. Actual price per user may vary by up to ~0.01% due to rounding. Final price will be shown before completing sign-up.

**Google Workspace provides flexible pooled storage per user that is shared across the organisation. Visit our [Help Centre](#) to learn more about getting additional storage for your organisation.
